The Foundation of Supernatural Success

November 2023

Dear Partner,

The heart of CTGM is and always has been to see people everywhere live the joyous, victorious, and overcoming life The Creator of The Universe (The Ultimate Celestial Father of all mankind) intended from the moment He said, “Light be and light was” (Genesis 1:3). The absolute infallible insights and instructions for accomplishing this are all in the book we call, “The Bible;” which is not a religious book, but The Ultimate Handbook of human life regardless of culture or ethnicity.

Why did our Loving Lord JESUS give us The Great Commission in Mark 16:15-20, “Go ye into all the world (ethos – every ethnic group) and preach the gospel to every creature”? I believe primarily He wanted the world to know the true source and origin of their existence. Every person on the face of earth came from the same source. It does not matter if they are Chinese, African, European, Maya, Ketchi, etc. Regardless of what we call ourselves, we all came from the heart of The Creator and Maker of all existence. This means we were all designed to live in harmony with one another. Ignorance of this is the source of all the evils and failures we experience.

In Genesis 1:1-3, the foundational insights of all supernatural success area revealed as follows: verse 1 in the original Hebrew writings says, “In the beginning THE BLESSED ONE created the heaven and the earth.” The word ‘God’ is not in Hebrew. The word that sums up all the glorious facets of who we call ‘God’ is the word ‘BLESSED’. Verse 2, “... and the spirit of THE BLESSED ONE moved upon the face of the waters.” THE BLESSED ONE did nothing until He had a partner, until He has agreement. Verse 3, “And THE BLESSED ONE said, ‘light be and light was!!!’”

And He slung a whole universe into existence that is still expanding at the rate of the speed of light (186,000.25 m/s) in every direction – absolutely supernatural, indicating how, foundationally, man is designed to operate. Here it is:

1. THE BLESSING has the limitless power to produce supernatural increase.
2. THE BLESSING only functions in agreement.
3. The mouth is the instrument of THE BLESSING demonstrating that supernatural increase.

When we realize that the word that most describes man is the word ‘BLESSED’, when we realize that man was only designed to operate together in agreement, in harmony, then when man speaks he/she will be producing increase in the same manner as our Heavenly Father, this is when, not only do we experience The Father BLESSING us; but, it will be said of us as it was said to Daniel by the Angel Gabriel, “Daniel, you have BLESSED the God of Heaven!!”

Hallelujah! We are here for you. Got something to rejoice over? Send us your testimony on our website or via email. Have a specific prayer need? You can send us a prayer request through our website, email or text.

Until next month, remember, your Heavenly Father loves you as much as He loves Jesus!

Jesus is Lord,
