Common Vision – The Answer to Everything

November 2024

Dear Partner,

Partners, Family, and Friends, one of our simple and “to-the-point” core values is this – *Leave people better off than we found them!!*

To do this effectively, we must recognize the key issue behind all the issues we face. Every great general knows that to be concerned about all the various skirmishes in a war is futile. Time and patience must be taken to observe the key issue behind the skirmishes, deal with the key issue and the skirmishes will dissolve. The key issue we are facing today, that has caused the societal evils people have been working so hard to resolve with programs that have gone nowhere, is “the spirit of division!” Division, or separation, is the definition of death.

Separate the male from the female, family dies.

Separate one political party from another, national leadership dies.

Separate spirit from the body, physical death.

Separate our youth, death in the streets.

Separate Godly wisdom from intellectual knowledge, progress dies.

Separate Heaven from earth, creation dies.

Separate human spirit from the Spirit of God, eternal death.

Primarily, not recognizing that the unseen existence governs the seen existence, everything dies.

I believe the answer to division, as it is being revealed by the Spirit of God, is in Proverbs 29:18:
Where there is no vision, the people perish (KJV).

In the original Hebrew, it say it like this:

Where there is no common vision, the people perish.

Only a vision that we can all embrace together and come together in harmony to fulfill - that vision, goal, dream, and, most importantly, that cause - will improve the quality of life everywhere. Why the word “together”? Simply because from the very beginning of creation, our Heavenly Father established the success of every created thing on the foundation of a corporate structure. E.g.,:

1. The Father did not say a thing until there was agreement with The Son and The Spirit (Genesis 1:1-3).
2. Man could not fulfill his purpose to dress the garden and keep it without the agreement with woman (Genesis 2:15-18).
3. Governments are never successful on political knowledge and maneuvering alone. They need the wisdom of God to properly direct that knowledge, knowing that a mature church is the representation of God’s kingdom on earth and the arm of heavenly wisdom. There has to be agreement between the Church and the State for the nation to advance.

So, the cause, the vision of CTGMC is to reconnect the unseen existence to the seen existence in all its forms as follows:

1. To re-establish God's Kingdom Authority back over the kingdoms of men – government, education, media, family, business, church, and medical.
2. To restore all things in the order of Heaven – corporate agreement.
3. To do all things in the love of God – The Source and foundation of all success and the destruction of every evil.

The full realization of this in the hearts and souls of people everywhere will cause nations to be redeemed out of decadence and truly live!!

Partners and friends, we can only scratch the surface of the heart of thanksgiving we have for you. Our heart at CTGMC is to see our partners and friends walking in great victory in every area of life – spirit, soul, body, relationships, and finances. As you give your financial support this month, know that every gift received is prayed over and thanks given to our Heavenly Father. You are never a day without prayer. We pray for you daily and on every remembrance of you. Pray for us as we pray for you. Together we will see families restored and nations healed.

Jesus is Lord,

Bishop Rene' Henderson
